ATF AGENTS ARREST CATHEDRAL CITY MAN

LOS ANGELES – ATF Special Agents arrested a man today and charged him with being a previously convicted felon in possession of firearms and ammunition. The investigation was initiated by the Riverside County Sheriff's Department, which later served a search warrant resulting in the seizure of firearms, ammunition and narcotics. Sheriff's officials contacted ATF, resulting in a joint investigation leading to the issuance of a federal arrest warrant.

“ATF is dedicated to keeping our streets safe by taking aggressive action against those who are in illegal possession of firearms,” said Special Agent in Charge John A. Torres of the Los Angeles Field Division. “We believe that every gun taken off the street brings us one step closer to preventing unnecessary loss of lives caused by violence. ATF values the cooperation we have with our local law enforcement partners and will continue to work closely with them to achieve our goals.”
